

Pasture Golf Stampede

14th Annual Fundraiser

July 1, 2017

It's that time of year again! The **14th Annual Pasture Golf Stampede** is scheduled for **Saturday September 2nd, 2017**. The Perrin family is pleased to announce that this year's event will benefit the Climax-Scotts Elementary Student Activity Fund, the Climax-Scotts Softball Program, and the Climax-Scotts Junior Wrestling Program.

We would like to help these organizations continue their efforts in providing the programs the equipment and activities that make Climax-Scotts Community School Students such dynamic individuals.

The 4-person scramble takes place in Scotts, Michigan on the Perrin Farm's 6900 Yard Signature Par 72 Paint Can Big Hole Course. Start time is 9:19 am with the "Running of the Cows!" That's right, this is not your ordinary golf tournament! The first 36 teams registered by August 28th will be guaranteed a golf cart - all others will have to bring their own golf cart, 3-4 wheelers, riding lawn mowers, or any other off-road vehicles! (Participants must be 21 years or older)

This event is something that we as a family work really hard on to help benefit local organizations. Over the past several years we've been able to donate the funds to a number of local organizations such as the CS Rocket Football Team, Local 4-H groups, CS Elementary schools new playground equipment, CS Jr. Wrestling Club, The Pride of Scotts, and most recently the CS Jr/Sr Athletic program and the CS Elementary Student Activity Fund.

In the past many people have donated different items: food, pop, water, gift certificates, etc. and as the date quickly approaches, we are contacting you to see if you will be willing to help the cause by sponsoring one of the 18 holes on the course. **Sponsorship fee is \$150 and includes a custom sign at the tee box with your company's name on it.**

We would like to thank you for taking the time to read this letter and for supporting the Pasture Golf Stampede in our effort to support the C-S Athletics department. Should you have any questions, or would like to support our efforts by making a donation of another kind, please contact Dana Perrin (269) 806-3335.
