**them in medical expenses. Proceeds will also go to the Yerby Vick scholarship, which will be awarded to one 2024 senior from Climax Scottsand Colon.**

**There will be three games for the evening against Colon High school. The JV boys' teams will play at 4:30, with the Varsity girls following around 6:00 pm. The boys varsity will start at approximately 7:30, after the girls.**

# Meet Missy

**Missy Lane is the mother of Jake and Jaise Lane. She was diagnosed with breast cancer in 2019 but thankfully was caught early. After having a lumpectomy and radiation she was in remission for the last four years. Until just recently in July when she had been diagnosed with a second kind of more aggressive breast cancer. After having a second lumpectomy and radiation treatments, she is now in remission for the second time.**

# Blood Drive

**When asked about the blood drive, Ms. Wright said “We had a lot of last minute volunteers. Although, because the place that ran the blood drive was short staffed, we had just the right amount of donors.” For the next blood drive, she hopes to fill all the spots.**

**This January we welcomed Ms. Cassie Paige to Climax-Scotts. Ms. Paige chose Climax-Scotts because she went to elementary school here, and because she has family members who also teach in our community. Her aunt, Ms. Missler, teaches here, and her mom teaches at the elementary. Her favorite thing about this school is the community, because everyone here is really nice. She has not taught at any other schools before, so this is her first time teaching. Ms. Missler says she loves working in the same building as her, and she looks forward to guiding her through teaching and showing her around.**

**We would also like to welcome Ms. Jenna Haynes back to Climax-Scotts! Ms. Haynes graduated from Climax-Scotts in 2020. She says it's great to be back, and she loves seeing all of her old teachers again and being back as a Panther. Her favorite thing so far about working here is the kids, because they're really sweet and fun to work with. Ms. Haynes hasn't worked at any other schools, so this is her first time working with students. Previously, she worked on a farm and worked at a doggy daycare. We are happy to have Ms. Haynes back and look forward to working with her!**
