*Where Students Are More Than A Test Score!*

## **Hometown Circus**

**By Doug Newington**

**Friday Feature – August 30, 2019**

In appreciation of our great community support, we invited Jake Hinga, a C-S graduate, to display his talents and experience by starring in, and producing, a one-hour circus show on Sunday, September 8th at 4:00 pm, in the Jr/Sr High School gym (seats 950).

Jake has worked for companies like SeaWorld, Six Flags and Big Apple Circus and wants to bring a one of a kind show back to Climax-Scotts. He is a representation of what's possible coming from a small town and a supportive school system. The hour-long show will have a theme of "community" and will feature acts such as juggling, magic, aerial, cyr wheel, and Trampwall.

In order to assure all students and their family members are able to enjoy the show and see the completed construction, we will not be charging an admission but will cover the cost through contractor and private donations.
