Sports Physicals

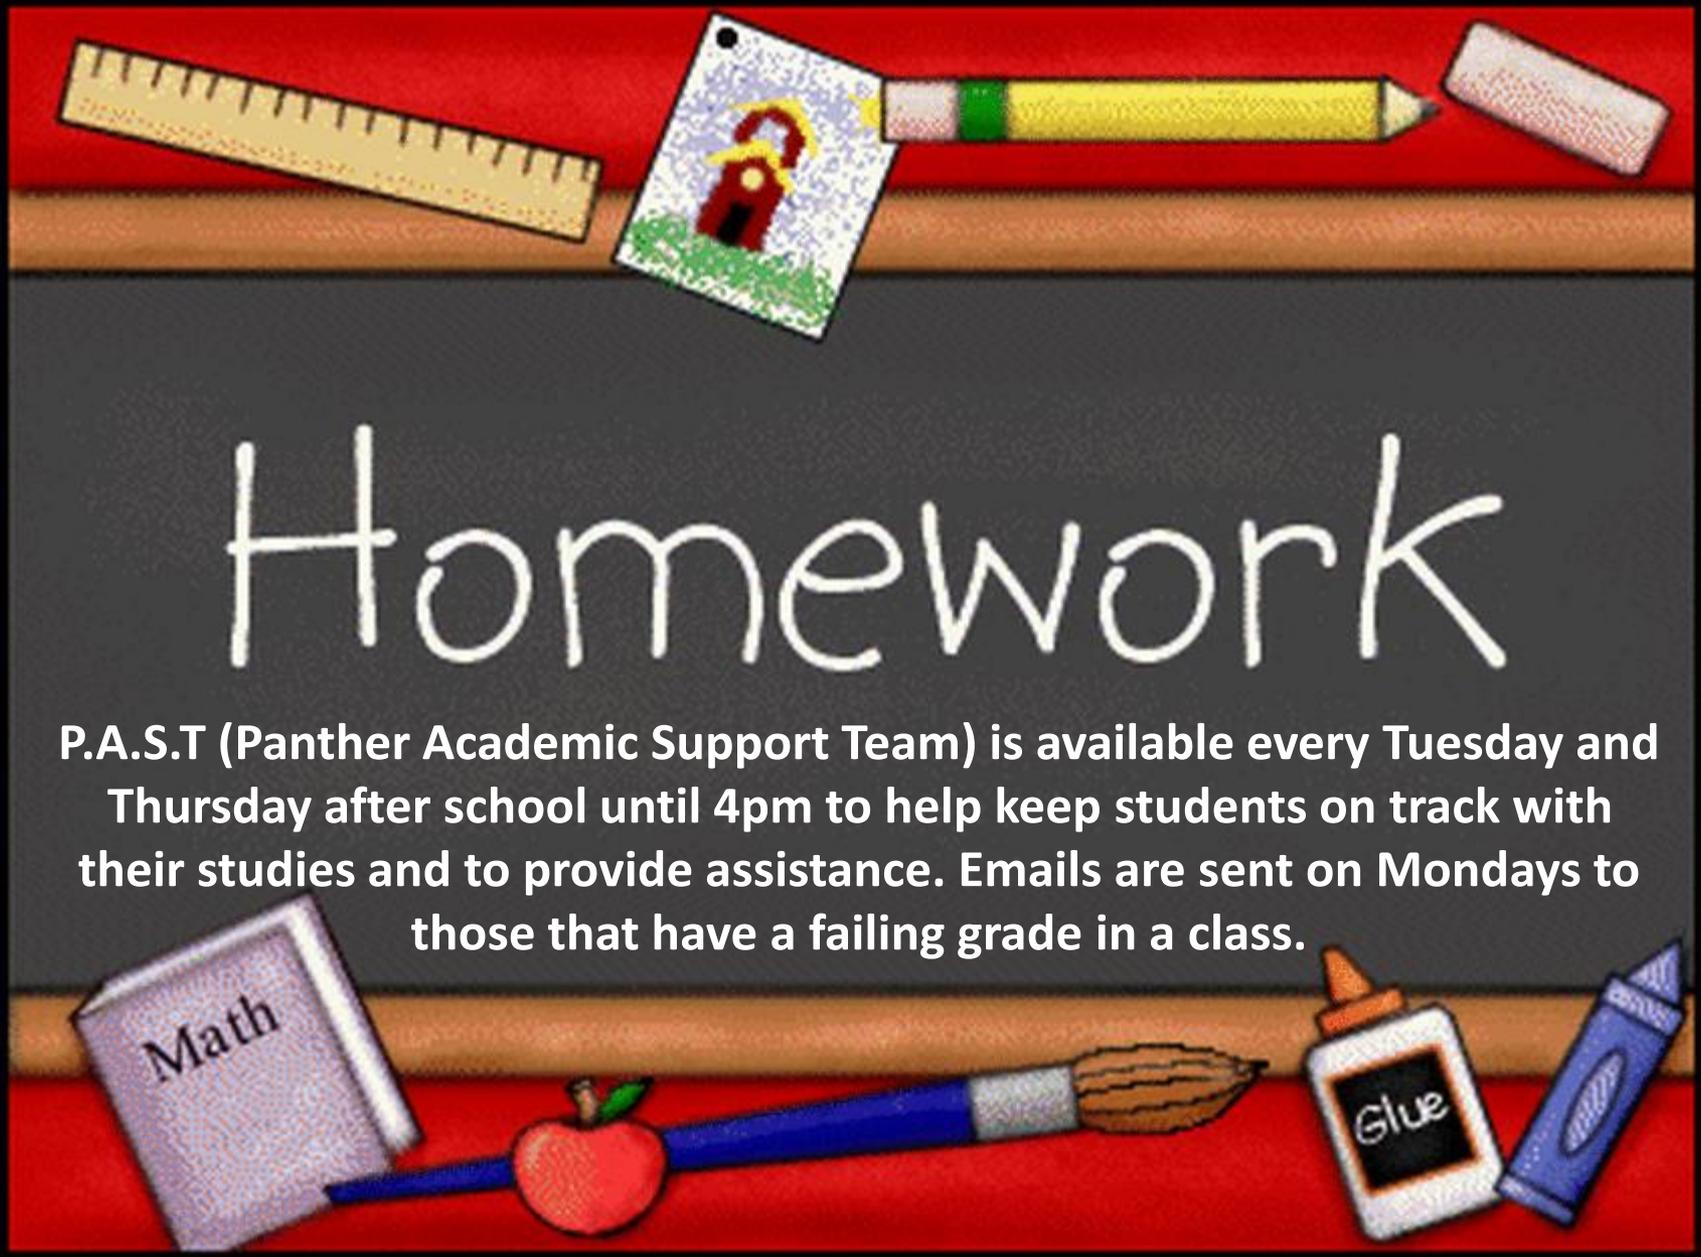

The athletic department is hosting a sports physical night again on May 22nd starting at 6pm. Physicals are being done by Bronson Family Medicine with all proceeds going to the school. Physicals are 6-8pm.

If your son/daughter is interesting in playing any sports next year, please have them come to physicals. This is for all students currently in 5th-11th grade.

Our 6th grade students next week Tuesday and Thursday will get to experience a smaller scale an Archeological dig during history class.

The image features a central dark grey area with the word "Homework" written in white, cursive-style font. Above this area, on a red background, are illustrations of a yellow ruler, a yellow pencil with a green band, and a pink eraser. Below the central area, on a red background, are illustrations of a purple book labeled "Math", a red apple, a blue pencil, a white glue bottle labeled "Glue", and a blue crayon. The entire scene is framed by a green border.
