

PANTHER PAWS

March 2023
Climax-Scotts Jr./Sr. High School
Climax, Michigan 49034

The Best of Us

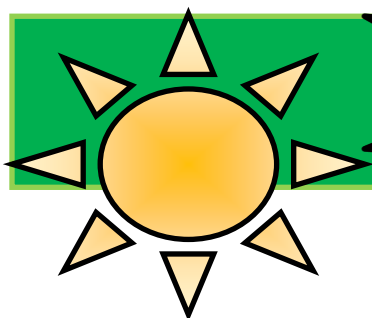

Although it was delayed due to weather, this year's Hall of Fame game was a special moment for this year's inductees. The first, Andee Van-Dyken, graduated from Climax-Scotts in 1991. The second, Ellen Pierce, was a former English teacher at Climax. Ellen sadly passed away, so her husband Don Pierce accepted her plaque in her place.

It is the policy of this district to not discriminate in our programs, activities, or services by race, color, national origin, sex, or disability. For questions, concerns, or to report any potential violation please contact Superintendent Newington at 372 S. Main St., Climax, MI doug.newington@csschools.net, 269.746.2401.

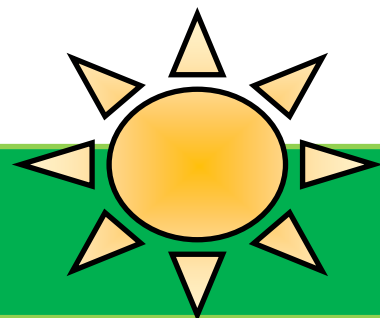

District Champs!

The girls varsity basketball team defeated Calhoun Christian with a 29-22 win on March 1st to advance to the District finals. On March 2nd, the Lady Panthers fought in a close battle against St. Philip in the district championship and they finished the game with a 44-38 win. It was the first time in seven years that the girls' program had won a district title.

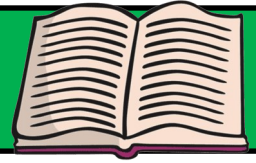

SPRING BREAK!

This year, spring break officially begins on Monday, March 27 and ends on Friday, March 31. Due to record day, there will be no school on March 23 or March 24 leaving the students with a longer break period!

March is Reading Month

To celebrate Reading month, Mrs. Maxa put on an event where staff members read to the students. She explained, "Read to Me In March has been a huge success. Mr. Cole, Kevin Langs, and Tyler Langs had students on the edge of their seats with stories from facts and tales of fiction. There is always something to learn and something for fun at the library. Next week, the Library welcomes Scott Simmons to read tongue twisting tales that we all enjoy!"

TESTING

It's that time of year again! Standardized testing is just around the corner, taking place on April 12. Grades 8-10 will be taking the PSAT while the 11th graders will take on the SAT.

Saving Lives

On February 27th, 2023, the American Red Cross came to the high school to train all Climax Scotts high school and elementary employees in emergency medical care. CS's own Mrs. Amy Swager, a survivor of cardiac arrest, supported the team from the Red Cross in providing anecdotes from her own experiences and also assisted in teaching during the training. It was an educational experience for all, and the school district can feel confident moving forward that all staff are prepared to offer emergency assistance in the event that it is needed.

St. Patrick's Day

St. Patrick's Day took place on Friday, March 17. The Climax-Scotts staff and students were able to show their off holiday spirit by wearing green to school.
