CS Blood Drive

Every year our NHS students help to host several blood drives during the school year. This year the blood drive was on November 17th. We had many students and teachers come down to donate.

On November 9th, The National Honor Society came together to make blankets for the Bronson Children's Hospital. NHS students also raised money for this activity last year by holding the Blacklight Volley Ball Tournament. The NHS would like to give a huge thankyou to everyone who participated in blanket making and to those who supported the volleyball tournament last year.

New JV Boys' Basketball Coach

Our new JV coach is our very own principal Mr. Cole! He is excited to get back into coaching and work with the players in a new capacity. He doesn't have any specific predictions for the season win or loss wise, he just wants to get better fundamentally with the players. Going into the game he was excited to watch the players compete. He is proud of how far they have come from the first practice.
