

Climax-Scotts Community Schools

Where Students Are More Than A Test Score!

CS Elementary Distance Learning Plan Summary **For the complete COL go to www.cssschools.net**

GRADING

In keeping with the rest of the elementary schools in the county, elementary teachers will track who is participating in online instruction, paper packet instruction, or both. Grades will not be given. Teachers will reflect on the grade and progress that students were earning in March just prior to the closure, as well as collaborate with students and parents throughout the remainder of the distance learning time to determine retention recommendations.

MODE OF INSTRUCTION

We have been collaborating as a teaching team and with other leaders in the county to develop plans to reach all students with continued instruction. All families at the elementary will be given instructional paper packets for the remainder of the year, and they will pair with the online learning we will also provide to all families with that capability. We continue to search for various ways to bring remote learning to all families by hosting a Chromebook distribution as well as search for hotspots to provide to those without service.

The elementary teachers will be taping their lessons and delivering them to students with Google Classrooms/Meets/Hangouts, Zoom, Class tag, etc. They will connect with students through these platforms to teach and provide feedback and discuss lessons. For families that currently only have access to paper packet instruction, teachers will connect for feedback through phone calls, email and texts if available. For the safety of all, we will not collect paper packets.

PAPER PACKET PICK-UPS

We will have our first pick up day for instructional packets this Thursday, April 23rd from 9:00 – 3:00. Please stay in your car and pull up to the front door where buses typically drop students off. Someone will come out to you to get your name, your teacher's name, and bring your materials to you.

Our second pick up will be May 11th from 9:00 – 3:00, and our third and final pick up will be May 26 from 9:00 – 3:00. We have also posted the information to our Elementary Facebook page and at our website at www.cssschools.net

STUDENT SUPPORTS

We will strive to do all we can to support students and families as we all navigate this "new normal" method of teaching and learning. All teachers have set up office hours for students and families to connect to teachers for support and clarification of concepts. Teachers will reach out to families through an online platform or with a phone call to inform parents of office hours and various ways of connecting to communicate.

TEACHER ONLINE OFFICE HOURS AS FOLLOWS:

Mrs. Charles Wednesday 9:00 – 10:00; Thursday 3:30 – 5:00; Class Community Monday 1:00
Ms. VandeGiessen Tuesday 9:00 – 10:00; Thursday 3:30 – 5:00; Class Community Friday 3:00
Mrs. Hentz 9:00 – 10:00; Thursday 4:00 – 5:30
